2018-2019 MCCS NAF

**OPEN  
ENROLLMENT**

## REGISTRATION OPTIONS

1. ONLINE AT PEOPLESOFT/BENEFITS
2. VISIT THE MCCS HUMAN RESOURCES OFFICE (BLDG. 1533, 8AM-4:30PM)
3. MCCS HEALTH & WELLNESS FAIR | NOV 15, 10AM-5PM, VICTORY FIELD  
Benefits vendors and MCCS HR will be available to present information and answer questions.

Open Enrollment elections must be made between November 1-30 to elect or change coverage in Medical, Dental, Short-term Disability, and the Flexible Spending Account (FSA). All elections should be made via PeopleSoft Self Service.

Employees that elect to enroll eligible dependent(s) during open enrollment will be required to provide evidence of that dependent's relationship to that employee (birth certificate, adoption papers, office court guardianship designations for parent/child relationship and marriage certificate and IRS 1040 for spouse relationship). Employees that fail to provide required information will not be allowed to enroll the dependent(s). Employees must provide this information at the time they elect enrollment, not after the fact.

Failure to enroll, terminate or make changes to existing coverage during the enrollment period will result in no further opportunity to do so, until the next designated enrollment period. There will be no retroactive enrollments, changes, cancellations or exceptions made after the open enrollment period ends.

Log on to [www.nafhealthplans.com](http://www.nafhealthplans.com) for information on NAF Health Plans and an Open Enrollment video communicating benefits offered. Employees are encouraged to use the interactive benefits tools, featuring "Alex", the employee guide to benefits elections. Visit Alex at <https://www.myalex.com/marines/2019>.
