

HOW TO WORKSHOP

SATURDAY
JAN. 6 & 20
10AM

VEHICLE PURCHASE PROGRAM

Learn the basics; what you need to look for when buying a car, from signs of trouble to prior damage. This workshop will arm you with the knowledge to be better prepared to make an informed decision.

HOW TO INSPECT THE UNDERSIDE OF A VEHICLE

This workshop will help the average DIY'er to better understand the differences between oil leaks, A/C condensation vs coolant, engine or transmission and a power steering fluid leak. It will help you to determine mechanical damage or signs of potential trouble.
