

# SPONSORSHIP OPEN HOUSE

**JUNE 23 • 8AM - 4PM**

CAREER RESOURCE OFFICE  
BLDG. 1526, 7TH STREET

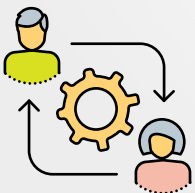

Information and Referral (I&R) will be conducting mock inspections for unit sponsorship programs.

This open house does not guarantee that commands will pass an IG inspection, but it will give Sponsorship Coordinators (SC) the knowledge needed to get the program on the right track.

The I&R Manager will be available to answer any questions and concerns, or conduct on the spot training.

I&R will give your unit the tools needed to have a successful sponsorship program.

Per the MCO 1320.11G, all units should have an SC.
