

THE UMBRELLA OF AUTISM

JANUARY 14 • 2 - 3PM • ZOOM

Join Hope Comprehensive's Kelsey McCarthy, BCBA and Sara DeLeon, PsyD, to learn about Autism and Coexisting Diagnoses such as Anxiety, ADD/ADHD, Auditory Processing Disorder, Depression, Oppositional Defiant Disorder, Sensory Processing Disorder and more. They will look at how to recognize the signs/symptoms, strategies to assist your child and who to turn to for help.

You do not need to be enrolled in EFMP to attend this event.

To register for the virtual event, please visit <https://bit.ly/AutismUmbrella>.

Registration will remain open until the start of the event. For more information: rachel.bishop@usmc.mil
